Range Description

- **Roller System,**
Wheel lock/unlock system.

- **Roller System X5,**
Lock System 5 times stronger.

- **Security System,**
Security Cutters with self-retracting or hidden blades.

- **Push System**
Push Button Automatic lock system.

Large range of **Cutters** and **Blades** for all kind of professional or DIY requirements. Make your option according to the type of work and the intensity, identify the different qualities and characteristics shown below.
