Aluminium Suitcase + 85 Industrial Quality Tools

Ref 051-020

~~114,49 €~~ **67,33 €**

Light and very resistant Aluminium Suitcase with metallic protections at the corners.
Double locking key and bi-material handle.
4 standing bases at the bottom face in order to place the suitcase in any kind of surface without damaging it.
Two trays inside the suitcase, a mobile one and a fixed one on top side to store tools.
The mobile tray is joined with the suitcase by means of 3 strong hinges; it can also be adjusted to two positions through a belt fixed to the top side.

COMBINATION
WRENCHES

- Maximum load distribution
- Quick tightening
- Maximum performance without wear
- Decreases damage to nuts and bolts

- Longer lifetime of the wrench
- Maximum contact surface
- Homogeneous stress distribution

Effect of stress:

• On the wrench • On the nut

- Frame is constructed in high-grade steel according to the highest standards of quality and durability.

- Paint is oil, grease and dirt-resistant for easy cleanup.

- Lead-free paint finish is applied after a thorough chemical wash to ensure a long-lasting finish and to help prevent rust.

- Frame is constructed in high-grade steel according to the highest standards of quality and durability.

- Paint is oil, grease and dirt-resistant for easy cleanup.

- Lead-free paint finish is applied after a thorough chemical wash to ensure a long-lasting finish and to help prevent rust.

LOCKING

JACK STANDS

- Locking Jack stand is the perfect complement to other car jacks as an essential security measure. Great stability and wide stable support feet.
- Angled teeth in post prevent accidental release of load – the more weight applied, the tighter the post is locked.

• The large surface area provides better contact with the supported load.

• Angled teeth in post to provide maximum security.

• Equipped with a double-lock protection feature.

• The wide base prevents from the sinking into the asphalt and similar surfaces.

- Built in high-resistance cast iron

- Paint is oil, grease and dirt-resistant for easy cleanup

- Structure is made in high-resistance welded steel.
